*Geoffrey Baker was born & bred just out of Cobden where he remained all his life. He had a wonderful love of animals, especially sheep and first started showing Shropshire sheep in the 1940's at the lower Heytesbury Show. In the early 1960's he began showing his beloved Southdowns and continued to do so until 2009. Geoffrey played a big part in the Heytesbury Agricultural Show, attending all working bees, holding many positions on the committee and was truly a wonderful advocate for this great show. He held the Chief Steward position for many years, and was a great mentor to all that knew him.*
